In Loving Memory of Armer Kimble Preston

2023 Application Form

The Collins Family HBCU Scholarship is made available through the Collins Family Foundation. This program was created by The Collins Family in honor of matriarch Armer Kimble Preston, revered mother and grandmother, who passed away in 2017 from breast cancer.

Armer Kimble Preston was a strong believer in the value of education. This scholarship program honors her legacy.

Recognizing that they were all blessed with college scholarships, and thereby the opportunity to pursue a higher education, the Collins Family's goal is to provide scholarships to high school seniors in need of additional resources. Students who have demonstrated leadership, character, community involvement, and academic success will be given consideration for these awards.
